

IMPORTANT ROADWORKS INFO

13 August 2024

Perryman Cross, Northiam

Dear Resident,

Balfour Beatty is working in partnership with East Sussex County Council to manage the highways service across East Sussex. As part of this, we will be carrying out site investigation works on Perryman Cross, Northiam.

When do they start?

Work will be carried out on **Tuesday 3 September 2024** between 7am and 7pm.

We will inform you of any changes to the dates or times via advanced warning signs on site.

What are we doing?

The investigation involves trial holes and core holes being drilled at various points into the carriageway surface to allow for testing of the carriageway sub-surface. The results of these investigations will allow us to determine the condition of the carriageway and the extent of larger works which may be required later in the year.

How will this impact highway users?

The team will be working from the centre of Adams Lane to the centre of New Road.

The road will remain open with temporary traffic signals in place whilst the works are undertaken. Please be aware, these are mobile works and will be moving along the road in sections.

Information for residents and businesses

Parking: If required, we will put out 'no parking' signs and cones on the site to advise where parking is restricted. Please avoid parking in these locations as it will delay our works.

Weather: All of these works are subject to favourable weather conditions, for example heavy rain may affect the progress of the works.

Properties close to the carriageway may experience a temporary disturbance as this can be a noisy process and those properties may experience flashing lights and reversing sirens.

We would like to take this opportunity to apologise in advance for any inconvenience or disruption this work may cause, however this forms part of our continuing improvement for the East Sussex highway network. Should you have any concerns regarding these works, you can contact us at eshcomms@balfourbeatty.com.
